CLEAN-UP CAMPAIGN HERE MORE EFFECTIVE THAN EVER BEFORE

Street Commissioner Reports That the City Officials are Receiving Better Co-operation This Year Than in Any Season Heretofore.

The clean-up campaign in the city is now under good headway and the officials in charge of the campaign report that they are receiving hearty co-operation from the residents this year as they have never received in the past several campaigns.

On Monday in the First ward, the Street Cleaning department worked all day despite the fact that it rained hard the most of the day. They had the use of a large auto truck, a large wagon and a cart and all three vehicles were kept busy the most of the day. On Tuesday in the Second ward the force was kept quite busy during the day, and today they are engaged in cleaning up the Third ward.

Chairman Charles B. Davis, of the Internal Improvement Committee of Council, is also taking this time to make a thorough cleaning of the streets and alleys and expects at the close of the present week to have the city of Maysville cleaner than it has been for some time.

The success of the campaign in the other three wards of the city depends entirely upon the residents of those wards. The force will be in the Fourth ward Thursday, Fifth ward on Friday and the Sixth ward on Saturday. It is hardly expected that the force will be able to finish in the Sixth ward on Saturday as this is the largest ward in the city but if they are unable to complete the Sixth ward on Saturday they will return to that ward on Monday. Every resident is urged to clean up his property and to pile the debris on the streets or alleys on the day assigned for his ward and it will be hauled away promptly by the city without expense.

COUNCIL TO CONSIDER HEALTH PROPOSITION.

There will be a special meeting of City Council at the Council Chamber on next Friday evening when the state's health department proposition will be considered by the city fathers. It is understood that the members of the County Fiscal Court are disposed to make the contribution to this work asked of them if the city will do its part toward financing a city and county health department.

LOCAL MAN IS LEADER IN INSURANCE BUSINESS

James H. Hall Puts City of Huntington in Front Rank in Insurance Business For First 2 Months.

The Huntington (W. Va.) Herald-Dispatch says: "Huntington stood first among the cities of from fifty to seventy-five thousand people in business written for the months of January and February for the Standard Accident Insurance Company of Detroit, James H. Hall is the Standard agent here, and naturally, is quite proud of the record established."

"The agency had more to do than write business in February and March especially, Mr. Hall said yesterday, as the Standard policy holders in Huntington collected two hundred and twenty-five flu and pneumonia claims during and following the epidemic. Mr. Hall is also proud of his record for promptly settled claims for the epidemic victims."

"The records of the agency show that the 1920 epidemic was less serious than that of 1918, when sickness claims were largely in excess of those of the recent period."

BIG DELEGATION GOES TO CINCINNATI FOR GAME.

There was quite a delegation of Maysville fans went to Cincinnati this morning to see the opening game of baseball between Cincinnati and Chicago. The Maysville delegation had their seats reserved for several weeks in order that they might have good places from which to view the opening game of the 1920 season.

SEVERAL LOCAL PEOPLE TO VISIT FAITH HEALER.

There were several Maysville and Mason county people went to Cincinnati yesterday and today to visit James Moore Hickson, the great faith healer. Hickson went to Cincinnati from Lexington where he accomplished much good. Lexington papers are carrying stories of the healing of several people in that city who had been ill for years.

MEMORIAL HALL FAVORED AS AGAINST ANY SUGGESTION

Executive Committee of the American Legion of Kentucky Endorses Plan of the Maysville Legion Post For Memorial.

The Leslie H. Arthur Post American Legion today issues this statement to the public in regard to the memorial for the soldiers and sailors of Mason county:

"TO WHOM IT MAY CONCERN. "The ladies who are seeking contributions for the proposed memorial for the Leslie H. Arthur Post, American Legion, say that there appears to exist in the minds of the people of the community some doubt as to just what form of memorial the members of the legion prefer. What we need and desire is more than a memorial, I.e., an attractive and well equipped meeting place that we may keep in touch with one another and keep alive that spirit of patriotism and loyalty to the Government for which the legion stands. We believe it will be not only an advantage to us but to all the citizens of Mason county to have provided for this purpose such a building as the Central Presbyterian Church building now offered for sale. It is certain that without such a club room and common meeting place for its members, in a few years they will lose interest and the local post of the legion will cease to exist save in name. When this happens the community will have lost that influence which has been recognized as the country's surest safeguard against Bolshevism and similar doctrines."

"Establishment of a memorial hall for the Leslie H. Arthur Post of the American Legion as a meeting place for the post seems to us much more preferable than a monument or a hospital, or any other form of a memorial. (Signed)

HARRY F. OTTO, Commander.

HENRY E. POGUE, Adjutant.

The local post is in receipt of a communication from D. A. Sachs, Jr., State Adjutant, in which he quotes as follows from the proceedings of the meeting of the State Executive Committee, held in Louisville on last Saturday:

"Mr. Stickley, State Executive Committee member, described to the State Executive Committee situation now existing in Maysville, Kentucky, wherein he explained that the Legion Post at Maysville was favoring a Club House for a memorial, while certain other interests in Maysville were favoring a hospital for a memorial. Mr. Stickley detailed the situation in Maysville and asked for the approval of the State Executive Committee of the plan for a memorial suitable to the wishes of the Legion Post in Maysville. It was moved by Mr. Gordon, seconded by Dr. McCormack that the State Executive Committee endorse the plan of the post of Maysville for the erection of a memorial club house and that a bulletin should be issued thereon. The motion was unanimously carried."

MAYSVILLE MEN GET JAIL SENTENCES.

The Maysville men convicted Monday in Federal Court of stealing from the Pogue distillery and bootlegging the liquor thus stolen were given jail sentences in the Mason county jail as punishment for their offenses by District Judge A. M. J. Cochran. James Curtis Johnson and Dave Weber were each sentenced to 90 days in jail; Edward Weber to 60 days in jail and Charles Weber was given a 30 day sentence.

The wife of Johnson with her three children, pleaded with the court for leniency for her husband. Judge Cochran stated that it was necessary to punish the defendants for their violation of the national prohibition law.

LECTURE ON EDUCATION IS MUCH ENJOYED.

The lecture of Prof. George Marshall Baker, of Kentucky University, before the Maysville Community Club at the court house last evening, was, in many respects, the most interesting of the University series thus far. Prof. Baker was by far the best speaker heard here in this course and his subject was one in which the people of this section are greatly interested. Prof. Baker stated that the five fundamental principles of social education were that education must be democratized, individualistic, a matter of close and sympathetic co-operation among all community agencies, adapted to the community and must be a life rather than a preparation for a life.

'SQUIRE BAUER IS GRANDPA.

Announcement was received here this morning of the birth on Saturday to Mr. and Mrs. Felix McGuire at their home at Twin Lakes, Minn., of a fine baby girl. Before her marriage Mrs. McGuire was Miss Katie Mae Bauer, popular teacher in the Maysville Public Schools. 'Squire Fred W. Bauer who is now Grandpa, has everything his own way about the court house today.

MISUNDERSTANDING OF STATE POULTRY TAXATION LAW

New Law Practically Exempts Chickens From All Taxation Although Report to Contrary Is Circulated.

There seems to be a general misunderstanding of the chicken taxation law passed by the last Legislature. Many people have gathered the idea that the measure provides a tax of ten cents upon each chicken in the state when, as a matter of fact, the law provides nothing of the sort.

The new law does provide that twenty-five chickens for each family in the state shall be exempt from all taxation and that on all chickens over the first twenty-five there shall be a tax of ten cents on each one-hundred dollars worth of chickens. It can be readily seen that this law in fact, practically exempts chickens from all taxation as there is probably no farmer in the state of Kentucky who has one-hundred dollars worth of chickens above the twenty-five head unless he is a breeder of high class stock.

There has been much discussion of this law throughout the state and every farmer in the state should understand its provision thoroughly.

FLEMINGSBURG ROAD IS THREATENED.

The Flemingsburg Gazette says: "There is enough coal on hand to keep the railroad here going until Wednesday. If none arrives by that time it may be compelled to cease operations. The L. & N. confiscated a car load for the road here yesterday, in order to keep the wheels going."

GOOD CROWD AT REVIVAL.

The revival meeting in progress at the "Little Brick Church" is growing in interest. There was a splendid audience Tuesday evening and the evangelist, Dr. Adams, preacher a wonderful sermon. There is no doubt but that this revival is doing much real good in the Eastern section of the city.

RAPID WORK BEING DONE ON NEW RESIDENCES.

Contractor Joseph Simons is making rapid progress on the thirty new houses to be built this summer for the Maysville Development Company. A large force of men are now at work at Mr. Simon's mill in the Sixth ward getting the material ready for the erection of the houses.

BURIED AT BEASLEY.

The body of Mrs. Elizabeth Pickett who died Monday at Chicago, was buried at the Beasley cemetery just before the city this morning at 11 o'clock beside her husband, Joseph Desha Pickett, chaplain of the "Orphan Brigade" in the Civil War and for some time was Superintendent of Public Instruction of the State of Kentucky.

CURB MARKET IS BEING SUGGESTED TO REDUCE LIVING COST

City Council May Be Asked to Designate Streets in Business District Where Producers May Offer Food Stuffs For Sale.

Quite a number of local people have suggested a curb market as one plan to assist in the reduction of the high cost of living in Maysville during this spring and summer and the matter will probably be brought to the attention of the City Council at its next meeting. It is understood that several of the members of Council favor the plan and if Council acts favorably on the proposition a special effort will be made to have farmers and truck dealers bring their produce to the city on designated days to be offered for sale direct to the consumers.

It is pointed out by those who are at the head of the movement, that this curb market would have quite a tendency to reduce the high cost of living in Maysville removing the middle man's profit to a large degree. It is also pointed out that producers at present have a right to sell their products to consumers in the city but that this peddling of farm products is scattered about the city and the official designation of certain streets for certain days as a curb market district would bring all such producers together so they could be easily reached by the consumers.

Such a move as this, should it be approved by the City Council, might lead to the re-establishment of an official market house in Maysville sometime in the future.

PAROLE AGENT WILL COME HERE FOR LIGHTFOOT.

District Prosecutor B. S. Grannis has been advised by the parole board of the state of Ohio that one of the state's parole agents will be sent here within a few days to return Pascal Lightfoot, negro, held in jail here on charges of circulating obscene writings. Lightfoot's case was set for today but on this account it was passed for the present.

FUNERAL OF ACCIDENT VICTIM THURSDAY.

Rev. W. H. Morris, pastor of the Forest Avenue M. E. Church, leaves Thursday morning for Trinity, Ky., to preach the funeral of Mrs. Smith Stone who was killed by a C. & O. freight train near Trinity Monday afternoon. Mr. Stone, who was also seriously injured, is reported as improving slowly at the Dayton hospital.

COUNTY COURT.

In the Mason County Court this morning Mr. Ben F. Cole was named administrator of Mrs. Elizabeth L. Cole, deceased, and he qualified with Mr. R. T. Watson as surety on bond. Mr. Cole was also named guardian of the David Cole and he qualified with the same surety.

JUDGE KERR WILL SPEAK HERE NEXT WEDNESDAY

Prominent Kentucky Jurist, Native of Mason County, Will Speak Here on Next Wednesday Evening on Republican Party.

Hon. Charles Kerr, Judge of the Fayette Circuit Court, who was to have spoken here a few weeks ago on "The Republican Party: Its Principles and History" but who was unable to keep his engagement here on account of illness, will be here on next Wednesday evening, April 21st, to speak at the court house on this most important subject.

There was great interest shown in Judge Kerr's coming to Mason county when it was announced some time ago and there was keen disappointment that illness prevented him from keeping his engagement. This same interest, however, is being manifested again when it becomes known that he will speak in Maysville.

While Judge Kerr is a very prominent jurist and a leader in the Republican party in Kentucky, much interest is manifested in his coming here in that he is a Mason county man who has made good in his profession. It is expected that the court house will be filled with people anxious to see and hear him as well as anxious to hear his explanation of the principles and history of the great political party he so well represents.

CHURCH CONFERENCE.

Representatives of the several Christian churches in Mason county are today holding a conference at the local Christian church preparatory for the campaign which will be made in all Christian churches in the state of Kentucky within a few days. The ministers and leading laymen of the county are attending today's conference.

DAMAGE CASE RETRIAL SET FOR FRIDAY.

The re-trial of the case of Gates vs. the C. & O. Railway Company is set for Friday morning in the Mason Circuit Court. It will be remembered that young Gates lost both legs on the C. & O. railroad several years ago. The case was tried here and went to the Court of Appeals but has been sent back for a re-trial.

STANDFORD-HUMPHRIES.

Mr. Sennie F. Humphries, aged 25 and Miss Ethel L. Standford, aged 21, both of Ewing, Fleming county, were married here today by Rev. J. M. Lakin, of Ewing.

Miss Mae Fristoe, who was called here on account of illness of Mr. Stanley Cullen, returned yesterday to her home in Portsmouth, Ohio.

Mrs. O. L. Barlett, who underwent an operation, at her home on "The Point," last Sunday, is convalescing nicely.

WHOLESALE THEFT OF TOBACCO BED COTTON INVESTIGATED

Several Farmers of the Neighborhood Had Cotton From Their Tobacco Beds Stolen and Plants Exposed to Cold.

Several prominent farmers of the Murphysville neighborhood came to Maysville today to make complaint of a wholesale theft of tobacco cotton from plant beds in that section during the past few nights. The farmers complain that the loss of the cotton is not the greatest damage that has been done them but that the tender plants have been exposed to the cold night air and they have been damaged to an extent hard to estimate.

The farmers first complained to 'Squire Fred W. Bauer and a warrant was issued for Robert Prather, of the Murphysville neighborhood, who is alleged to have sold some of the stolen cotton. His trial was set for this afternoon but the Grand Jury, in session today, took the matter up direct and the trial in 'Squire Bauer's court was postponed after the jury summoned and everything for trial.

During the afternoon complaining farmers have the grand jury and it is this body will give the most careful investigation during the noon. There are many witnesses, the Murphysville neighborhood today some claiming that Prather guilty of the charge and others saying that the man is innocent and that he will prove where all of the tobacco cotton he has sold came from.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise earnestly and consistently oppose all things that are not for the good of the whole.

Mary Pickford must have crossed her fingers when three weeks ago she made the statement that she was done with matrimony. Probably she made this resolution just as many of us make resolutions on the first of January in the good old days.

Our friend Fred Bassett writes us that the Fleming county mob followed out the provisions of the new rape law passed by the 1920 Legislature by hanging the prisoner in the county in which the crime was committed.

New York. — A man who believed in only half of the scriptural injunction, "Render therefore unto Caesar the things that are Caesar's, and until God the things that are God's," was sentenced to the hospital for the criminal insane at Matteawan by Judge Charles C. Nott in general sessions. The man is John Coffey, 25 years old, no home, who pleaded guilty to the theft of \$1,000 worth of silks from a department store on December 9, 1919.

Coffey made a confession in which he likened himself to Robin Hood. He admitted that he had robbed stores in Boston, Chicago, Milwaukee, Detroit, Newark, Cleveland, Minneapolis, Pittsburgh, and Springfield.

"I have watched men trampled down," said Coffey in his confession; "resentment and hatred flamed within me, yet the fever did not show; I trained my hand and eyes and brain. I felt I must some day perform the task of retributive justice, to be leveled against the powers that have taken so much from the rank and file and given so little in return."

The belief in the luck-bringing power of the horseshoe attained its greatest diffusion at the end of the 18th and the beginning of the 19th century. MOTHERHOOD WOMAN'S RIGHT

How Lydia E. Pinkham's Vegetable Compound Helps to Make Women Normal.

Washington, Ind.—"I was in such condition that I never expected to have children and my aunt advised me to take Lydia E. Pinkham's Vegetable Compound. It proved my husband and restored my system so that I have a fine baby. Until she was about a year old I was very nervous, and all the time thinking something terrible was going to happen. If I heard anyone coming my heart would beat fast and I wanted to run. So I took the Vegetable Compound again and it helped me wonderfully. You may publish my letter as the medicine is surely great."—MRS. I. V. BANTA, R. K. No. 4, Box 24, Washington, Ind.

Among the virtues of Lydia E. Pinkham's Vegetable Compound is its ability to correct sterility in many cases. This fact is well established as evidenced by the above letter and hundreds of others we have published in these columns.

In many other homes, once childless, there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

GONE FOR GOOD

Results That Last Are What Appeal to Maysville People.

Kidney sufferers in Maysville want more than temporary relief. They want results that last—Results like Mr. Lynch tells about. His was a thorough test. Four years is a long time. Doan's Kidney Pills have stood the test and stood it well. Why experiment with an untried medicine? People here in Maysville have shown the way.

Read the story of W. H. Lynch, shoemaker, E. Third St. He says: "My kidneys were weak and sluggish. At one time the action of my kidneys stopped altogether. I finally used Doan's Kidney Pills and in a short time the action of my kidneys became normal. I kept on taking them and they completely relieved me."

TROUBLE NEVER RETURNED
Nearly five years later, Mr. Lynch said: "I haven't had any need of a kidney remedy since I last recommended Doan's Kidney Pills. They have permanently cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lynch had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

In 2000 Counties This Month

The Forces of the Church of Christ
Will Gather To Face the Facts

IN 2000 counties in the United States the pastors and laymen of 30 great denominations will meet in conference this month.

It is the kind of conference that generals hold before a critical engagement; that business men hold before entering a new market. A conference of judgment, not emotion; a clear-eyed facing of the facts.

A Survey that Business Men Must Admire

For more than a year hundreds of workers have been quietly engaged in making a scientific survey of the mission fields, and of America county by county.

The facts developed are startling. No such picture of America's religious situation has ever before been drawn.

On the basis of these surveys thirty Protestant denominations are uniting in a

Nation Wide Cooperative Campaign

Each of the thirty denominations has its own "Forward Movement" organized and officered. The Interchurch World Movement is the clearing house for all of these.

It is the agency which the churches have created to avoid duplication, to foster cooperation and make sure that every man and dollar render the utmost service possible.

The month of April will be devoted to making the facts of the survey known to America; in the week of April 25th-May 2nd, will come a united simultaneous financial campaign.

Whether You Are Inside the Church or Out

To every man and every woman who loves his country, these 2000 county conferences are vitally important.

For the facts developed by this great survey show vividly what forces are at work in America—and what kind of a country this country is to be.

See that the pastor of your church appoints delegates. Any pastor can tell you the conference place and date. Or write direct to the

WATER COMPANY NOTIFIED TO INSTALL FILTER PLANT.

The State Board of Health this afternoon served official notice on the officials of the Maysville Water Company that they were expected to install a filtration plant, sediment basin and first class chlorination plant so that wholesome water could be furnished the citizens of Maysville. The Water Company was given 120 days by the State Board of Health in which to make these improvements. The notice was sent to County Health Officer Rice by Dr. J. G. South, President and Dr. A. T. McCormack, Secretary of the board.

CABINET IS CONSIDERING STRIKE.

Washington, April 14.—What course the Government will pursue in the great railway strike will be determined today. Attorney General Palmer will submit his report and recommendations to the President at today's Cabinet meeting.

Reports received by the Department of Justice from district attorneys and field agents indicate that the strike is being given moral and financial support by the I. W. W. and that the radical organization planned to use the strike as an opening wedge for its long-threatened industrial revolution.

The regular mid-week prayer meeting will be held at the Forest Avenue M. E. Church this evening at the usual time. Mr. George R. Harding will be in charge.

The Congo River Tabernacle Lodge No. 80, will not have a meeting Thursday night, April 15th, but will meet next Wednesday night, April 21, instead. MRS. SUDIE MORTON, H. P. MARIA J. SMITH, C. R.

Vola-Tonic Brings New Strength and Vigor to Weak, Run Down Woman

"My appetite is so good since I have been taking Vola-Tonic that my husband remarked about it the other night," said Mrs. Edna Ellery, of 1788 Dreman Avenue, Cincinnati, O.

"For over a year before I started taking Vola-Tonic my system had been in a general run down condition. My appetite was so poor that I hardly ate anything at all and, of course, I kept losing strength as a result. My nerves were out of order also and I couldn't sleep right at night or get proper rest. My system got run down all over and I didn't have a bit of life or energy. In fact, I felt so bad I just had to make myself do the housework."

"Vola-Tonic was recommended to

me so highly that I started taking it and it was only a short time until I started feeling better.

"I feel like a new person now. My appetite has increased wonderfully and I can eat big hearty meals now and never have any bad after effects at all. I sleep soundly every night and get good rest and then get up the next morning feeling refreshed.

"I know Vola-Tonic is a good medicine, because it has made me feel like a new person and I am glad to tell all my friends about it."

Vola-Tonic, "Builder Of Strength," is being specially introduced in Maysville at J. J. Wood & Son's.

SUBSTITUTES DEADLY.

Louisville, Ky. — Thirty deaths have occurred in Louisville from alcohol since prohibition became effective last July, according to Dr. Iis Owen, Assistant City Health Officer. For ten years previously the number of deaths attributable to this cause did not exceed eight or ten annually, he said. All sorts of substitutes for liquor have been resorted to by habitual drinkers since the country went dry. Dr. Owen pointed out, with the result that the cocaine fiend never suffered more than the present-day tippler, who subjects himself to poisonous substitutes for liquor peddled by bootleggers.
